Truth and Reconciliation

Excerpt from a prayer by Right Rev. Dr. Richard Bott
Moderator of The United Church of Canada

Help us to take this grief,
this shock,
this horror,
and turn it into right action—
action that works for right relations—
action that works for healing and justice and
hope.
And, please,
don't let those of us who are settlers
and descendants of settlers,
newcomers to this land,
let the horror, the shock, and the grief
just be an outpouring of words,
or tears,
or ineffectual hand-wringing.
Let this be a moment that changes,
a moment that transforms the brokenness,
that we might walk in right relations,
for the good of your children,
for the good of your world.
